Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Wednesday 27 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Very mild but breezy, with rain at times.

Today:
Remaining very mild, windy and generally cloudy. Persistent outbreaks of rain, heavy at times across western hills, but drier further east with some brightness possible. Maximum temperature 17 deg C (63 deg F).

Tonight:
Conditions remaining similar through the evening and overnight, with strong winds and continued outbreaks of rain, heavy and persistent across western hills. Staying very mild. Minimum temperature 12 deg C (54 deg F).

Thursday:
Staying mild, cloudy and breezy. Spells of rain are likely continuing through the day, especially across western hills where rain will remain heavy at times. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
Conditions remaining unsettled and windy at times. Rain expected again through Friday, and further spells of very wet and windy weather are likely during the weekend.
